The Annual Two Rivers Bluegrass Festival, Heritage & Forestry Expo is once again scheduled for April 5th - 9th at Greene County Rural Events Center, Leakesville, MS. The Greene County Board of Supervisors has contracted the award winning festival promoter, Bertie Sullivan, to continue programming and producing this event as she has done for the past sixteen years. Since our economic climate for the Pine Belt area as well as our state and nation has not been as positive as we would like, our Partnership rates have remained the same for this year. As a community minded business and wishing to attract tourists to this area and this event, please partner with us as we plan and produce one of the best music productions in our state. We are and have been promoting this event on the local level as well as regionally, statewide and even nationally at like events and at trade shows in Nashville, TN. This festival will bring you extra bangs for your bucks.
